Dear Michelle,

Thank you for the Hudson Physicians Fund's generous donation of \$500.00 to United Way St. Croix Valley. Your financial support will allow us to achieve the mission—**unite communities, focus resources and inspire people to measurably improve lives in Western Wisconsin.**

Your support helps United Way St. Croix Valley advance the common good by creating opportunities for all. We focus on projects supporting **education, financial stability** and **health**—the building blocks for a good quality of life. We work with businesses, individuals and nonprofits to solve community problems in St. Croix, Pierce and Polk counties. Please visit our website, www.unitedwaystcroix.org, throughout the year to see how your donation is making a difference in the lives of those in need in our community.

THANK YOU - your gift is helping us build strong communities in the St. Croix Valley.

With gratitude,

Ann Searles
Executive Director

*Thank you for your
support of United Way St. Croix!*
